Sheldon Ajax -
Dead Horse Point

The vast land of the Grand Circle is yours to explore – from the high red rock canyon walls of southern Utah to the higher elevation of the awe-inspiring North Rim. Travel off the beaten path to one of the most photographed landscapes in America, Monument Valley, a traditional Navajo homeland. You will tour Canyonlands, Arches National Park, Zion National Park, Bryce Canyon, cliffs, magical slot canyons, gorges and mesas - each offering a unique treasure of color, vistas and timeless beauty. Natural sculptured wonders and historic attractions give this caravan top billing.

The journey begins in Moab, located in southeastern Utah, on Friday, September 2, 2011, by the Rocky Mountain range of North America. A sensational light show during the "Canyonlands by Night" boat tour will welcome you to this spacious land, The Grand Circle.
