

PROTECTOR

Protector is a product line of vehicles designed specifically for law enforcement and emergency applications. Protector is designed and manufactured by the Commercial and Specialty Vehicles Division of Winnebago Industries, a leader in the design and manufacturing of mobile command centers for law enforcement, fire departments and other civil applications. With our Protector series you can give your department or agency the impact and flexibility of a high-tech, totally mobile and self-contained command center designed to meet your special requirements. Visit our web site at www.winnebagoind.com. Please feel free to contact us directly for more information at **1-800-492-9135**
