

Gulp.

Sip.

With the new Winnebago Via,[™] it's hard to say which is more attractive: the scenery outside your window, or your fuel gauge as it ... just ... sits ... there. Based on the proven Dodge/Mercedes-Benz Sprinter chassis, the Via's sleek lines leave no doubt this 25-foot Class A coach was designed to sip fuel, delivering an estimated 15 to 18 mpg, depending on load and driving conditions. Yet its 6-cylinder turbodiesel provides plenty of hauling power, and two floorplans – each with slideout and a host of innovative features – offer all the comforts and amenities of a much larger coach.

The remarkable Via is just one of many innovative new models you'll find at your nearby Winnebago dealer. With an abundance of exclusive new floorplans, new features and redesigned exteriors, our 2010 lineup is the most exciting in our 51-year history.
