WINNEBAGO INDUSTRIES SERVICE LITERATURE

We are often asked what is available to the customer as service literature for Winnebago products. While most of the diagrams and manuals we develop are intended for dealer use, many vehicle owners like to keep their own service library. The following is a list of manuals and bound diagram books that are available through any of our authorized dealers.

WIRING DIAGRAMS:

1997

Rialta & Eurovan	701674-42-000
Minnie/Minnie Winnie/Spirit/Sundancer	701674-42-001
Warrior.....	701674-42-002
