

2012 NAVION®

**Models: 24J and 24M (New)
24G Navion® iQ**

General

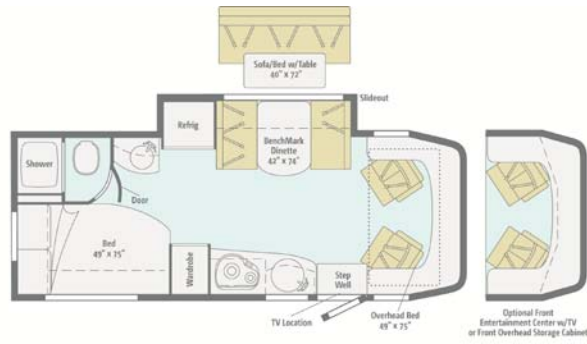

1. The 24M replaces the 24K. A sofa/sleeper with an air mattress replaces the sofa/bed. The dinette moves to the left side, rearward of the sofa/sleeper in the slideroom. The galley moves to mid-right side in place of the dinette. A standard 26" LCD TV is mounted to the sidewall at the forward end of the galley with a swivel/telescoping bracket. The optional front entertainment center is not available.
2. The 2011 Sprinter chassis with small DEF tank will be a RLC. The DEF tank will be located in the engine compartment. With this chassis, the exterior storage compartment in front of the right rear tires will become larger. Carrying capacity will increase with this chassis.
3. Added Canadian chassis and Canadian Housing options.
4. The TV antenna has changed to the King Controls™ Jack™ antenna, which is a digital HDTV antenna.

Exterior Features

1. The Deluxe Graphics Packages will have new graphics and colors.
2. Four optional Full-Body Paint Packages. Carryover designs with new colors.
3. The 110V receptacle has moved and an antenna jack has been added to the exterior compartment next to the entrance door. A sliding hatch has been added to the bottom of this compartment.
4. The spare tire for the 24J will be stored under the chassis versus on the backwall.
5. The Mach 3 Power Saver™ high-efficiency roof A/C will replace the Polar Mach® low-profile A/C.

Interior Features

1. Color Ways: "Lagoon," Carryover "Springfield" and "Skyline."
2. The bunk privacy curtain will slide on a track versus a detachable style.
3. A front overhead storage cabinet is available as an option to exchange for the front bunk on the 24M and 24J.
