

2012 ASPECT®

Models: 28T and 30C

General

1. The 28T is a new model based on the 2011 28B. The 28B has been dropped.
2. All sliderooms will use Power Gear® slide mechanisms versus Barker®.
3. The TV antenna has changed to the King Controls™ Jack™ antenna, which is a digital HDTV antenna.

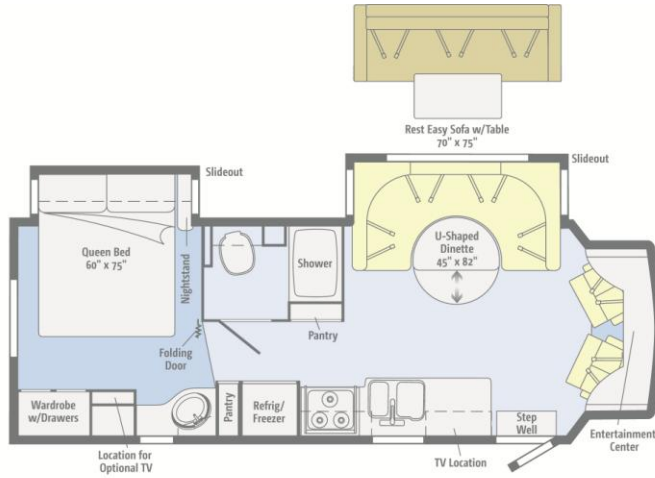

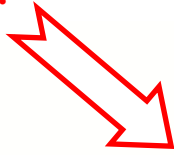

Exterior Features

1. Two Deluxe Graphic Packages with new designs and colors.
2. Four carryover optional Full-Body Paint Packages. The Aspect will have two new color schemes.
3. New Rear Cap Design – An exterior door provides access to storage, water service center, and electrical hookups. A shelf for supplies, a 110V receptacle, and a light are provided. No ladder is available.
4. The 28T and 30C exterior storage will increase 45 percent.
5. A shoreline/generator automatic changeover switch is a new standard feature.
6. New Optional Exterior Entertainment Center With TV and DVD – Includes a 26" LCD TV, AM/FM radio with DVD and remote, two speakers, radio antenna, and lockable door.
7. The optional exterior entertainment center with compact disc has been deleted.
8. The Mach 3 Power Saver™ high-efficiency roof A/C will replace the Polar Mach® low-profile A/C.

Interior Features

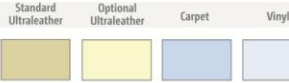

1. Color Ways: "Westwood" and "Imperial," Carryover "Sunset Ridge."
2. New Vienna Maple with Coffee Glaze will replace Sierra Maple. Belmont Maple has been dropped.
3. The standard floorcovering will be carpet in the cab, slideroom floors, and bedroom. Beaufloring will be located in the other locations. Carpet in the lounge/dinette area will be optional.
4. Swivel cab seats will be standard on the 28T and optional on the 30C.
5. An optional Rest Easy® sofa with pedestal table is available as an exchange for the U-shaped lounge in the 28T. The sofa has storage available in the arms, which is accessible through hinged faces on the arms. The pedestal table stores in this space.
6. An optional full-wrapped BenchMark® dinette is available in the 30C. The cabinets and cushions are covered in Ultraleather™. This option replaces the standard dinette.
7. Added tall thermo-formed backsplash material to the adjacent wall beside the range top.
